Bank of America

Bank of America

Bank of America develops strong partnerships with nonprofit organizations focused on issues fundamental to economic mobility in low- and moderate-income communities. They focus on improving the lives of individuals and families by investing in health, jobs, and strengthening broader community vitality by addressing needs related to small business resiliency, and community development. They support vulnerable populations, including working families, youth, seniors, individuals living with disabilities, veterans, and those impacted by the criminal justice system.

Impact Alamance

Impact Alamance is a community health foundation created from the merger of Alamance Regional and Cone Health. This foundation partners and invests to achieve health, hope and prosperity for everyone in our county. They believe that everyone should be able to live healthy and fulfilling lives—no matter their race, gender, or economic status. Impact Alamance invests in local nonprofits and programs that strengthen systems and environments, ensuring all children and their families have what they need to create a strong foundation that leads to lasting results. They have three main funding focus areas: healthier, smarter, and stronger.

Mary Reynolds Babcock Foundation

The Babcock Foundation partners with organizations and networks working to alleviate poverty and increase social and economic justice in 11 Southern states. They believe in democracy, opportunity and the power of partnerships, and we follow the lead of local experts who know what their communities need to thrive. They support collaborative, multi-strategy, place-based work focused on democracy and civic engagement, economic opportunity, and supportive policies and institutions. The Babcock Foundation invites proposals from local, statewide, regional and national nonprofits serving the South that have track records of helping people and places move out of poverty and achieve greater social and economic justice.
